We will not dispatch an inspector on another date to complete this service. These services are in addition to the RPSA New Build Survey Inspection & Reporting Standards v1.4 Nov 2021 and do not form part of its recognised framework or the NHQB Template Pre-Legal Completion Checklist.

The Report is provided for the sole use of the named Client. It is confidential to the Client and their professional advisers and the Surveyor accepts no responsibility whatsoever to

any other person. Neither the whole nor any part of this Report or any reference thereto may be included in any published document, circular, or statement, or published in any way, without written approval of the form and context in which it may appear. The terms of the agreement between The Professional Snagging Company and the Client are not enforceable by any third party under the Contracts (Rights of Third Parties) Act 1999.

4.3 Limitations of services

Our reports do not address the structural condition of a property. Each inspection is limited to areas of the roof, walls, floors and fittings that are within access and/or visibility to the inspector at the time of inspection and the ability to use a drone where ordered. An inspector will not move, remove, or displace personal items stored within the property.

As an inspector will not access concealed or inaccessible areas of the property, a report will not address inaccessible and/or concealed areas of the property. The inspector is unable to, and will not, comment that said areas are free from defect. Defects, which are judged to be understood to be part of the natural drying out or settlement process for new build property will not be included in a report.

We are not Gas Safe registered or Part P registered inspectors. You must therefore should seek advice from a suitably qualified gas engineer and/or electrician on the gas and electrical installations.

4.4 We are not responsible for delays outside our control. If our inspection of the property is delayed by an event outside our control then we will contact you as soon as possible to let you know. Provided we do this we will not be liable for delays caused by the event, but if there is a risk of substantial delay you may contact us to end the contract and receive a refund of any sums you have paid.

4.5 If you do not arrange suitable access to the property. Access arrangements must be arranged prior to booking our services. These arrangements must be communicated to us at least 48 hours before your appointment. It is not our responsibility to arrange access to the property. If we are unable to access the property then clause 4.6 will apply.

4.6 If we are unable to access the property to inspect. If you or your agent or other third party does not allow us or our agents or sub-contractors to access the property on the inspection date, we will be entitled to keep 50% of the total fee if we have spent less than 3 hours at the property and 75% of the total fee if we have spent more than 3 hours at the property but are unable to complete a full inspection. If, despite our reasonable efforts, we are unable to contact you or re-arrange access to the property we may end

the contract and clause 7.2 will apply. You will be liable for further fees if a second visit to the property is required. This fee will be your original booking fee, less fees already paid for the cancelation of the inspection.

4.7 If it is not safe to inspect the property. We reserve the right for our inspectors to make ongoing safety assessments. If for any reason it is not safe to start or complete an inspection then the inspection will be terminated with no liability on our part. We will be entitled to keep 50% of the total fee if we have spent less than 3 hours at the property and 75% of the total fee if we have spent more than 3 hours at the property but are unable to complete a full inspection. If, despite our reasonable efforts, we are unable to contact you or re-arrange access to the property we may end the contract and clause 7.2 will apply. You will be liable for further fees if a second visit to the property is required. This fee will be your original booking fee, less fees already paid for the cancelation of the inspection.

4.8 If you do not pay the correct fee. We base our charges on the number of bedrooms in the property as this is indicative of the size of a property upto 2500 square feet. Any property over 2500 square feet will be considered a five bedroom house with each additional 500 square feet resulting in an additional £50 fee. We rely upon you to identify the number of bedrooms and the correct fee when you place your order. If we discover that you have paid the incorrect fee because the property has more bedrooms than you specified in your order, or it is larger than you specified, we may refuse to carry out the inspection or withhold our report until the correct payment is made. If a bedroom has been repurposed as a den or study or similar, it will still count as a bedroom. **If you are uncertain as to the number of bedrooms please make contact with us before placing your order.**

4.9 If you wish to change your inspection date. If you wish to change your inspection date you must inform us by email to info@snaggingcompany.com If you wish to change the inspection date and this request is made within two days of the original inspection date, we will charge you 50% of your original inspection fee, which must be paid immediately. If we are unable to complete your inspection on the day of your rescheduled inspection date, or you request to reschedule again, this will be considered a cancelation.

6.3 We will make the reimbursement using the same means of payment as you used for the initial transaction, unless you have expressly agreed otherwise; in any event, you will not incur any fees as a result of the re-imbusement.

6.4 **If you requested us to carry out our services during the cancellation period, you shall pay us an amount which is in proportion to what has been performed until you have communicated to us your cancellation of this contract, in comparison with the full coverage of the contract.** For cancellations within 48 hours of your booking this will be 50% of the inspection fee.
